

Our goals mapped to the UN Sustainable Development Goals

Aligning our goals to the 2030 agenda on sustainable development, the UN's SDGs, has informed our thinking to ensure we remain focused on the wider impact of our operations.

<p>Delivering our core purpose</p>	<p>To be trusted to solve the challenge of our changing climate and developing populations</p>	<p>1. Continuously ranked in the Top Quartile ESG investment ratings within our sector by 2025</p> <p>2. Doubling client support and more sustainable infrastructure by 2030</p>	
<p>Developing an inclusive & diverse workforce</p>	<p>To recognise, welcome and celebrate diversity of thought, experience and background in our solutions and nurture our talent</p>	<p>1. To improve gender balance with 40% female representation in senior leadership roles by 2030</p> <p>2. To educate and inspire 100% of our colleagues to be inclusive</p>	
<p>Managing our environmental impact</p>	<p>To take responsibility for the impact of the work we do and how we deliver it on the planet we share</p>	<p>1. To reduce Wood's Scope 1 and 2 carbon emissions by 50% by 2030 on our journey toward net-zero</p> <p>2. To ensure 100% of Wood offices are single use plastic free by 2025</p>	
<p>Embedding ethical working practices through our business partnerships</p>	<p>To work ethically through the trusted partnerships we create</p>	<p>1. 100% of Wood labour suppliers sign up and comply with the Building Responsibility Principles by 2025</p> <p>2. 100% of our suppliers have Building Responsibility Principles embedded into their supply chains by 2030</p>	
<p>Positively impacting on the communities we operate in</p>	<p>To lift up the communities around us using our energy and expertise to improve lives</p>	<p>1. To lift up the communities around us using our energy and expertise to improve lives</p>
